What You The Kafir Need To Know

---

## Kafir

A person who does not practice Islam.

---

When you, The Kafir, discuss Islam with Muslims, they will do to you what is called in Islam - Taqiyya.

Remember this word since it is crucial for your understanding of Islam.

# Taqiyya

The permission from the Muslim God to Muslims to lie and to deceive **non Muslims** in order to advance Islam.

---

In Islam, Muslims are permitted to lie or to hide the truth, when they do not feel comfortable to share the truth about their religion. Or if they feel that lying and hiding the truth will serve them in spreading Islam, which is a holy mission of any Muslim and is called: **Jihad**. Muslims will lie to you, The Kafir, that Jihad mean something else, to conceal their intentions.

# Jihad

The Holy War of the Muslim to spread Islam World Wide until All the world submits to the Muslim God alone.

---

Taqiyya permits **to deceive the non-Muslims** in the holy war of Jihad to spread Islam world wide.

Muslims will play it down, and claim to you **The Kafir** that **Taqiyya** is reserved to situations of danger to the Muslim. However exposing their intentions to Kafirs will naturally put them in such danger.

The Muslim God **PERMITS** all Muslims to **LIE** when it is *not comfortable* to tell the Truth.

Exposing the truth about Islam to Kafirs will put the Muslim in danger. Because the truth about Islam is this:

The entire World must submit to The Muslim God, and to him alone & as long as non believers, Kafirs, exist, Muslims will be in Jihad.

Jihad will not always be apparent to the eye. If the Muslim does not have an upper hand he will turn to discrete tactics which will conceal from the Kafir the End Game. For that reason, today Muslims present the Quran to non Muslims as a book of Peace.

"Live and let Live". For that reason the Quran is written in **Duality**: parts of it call for peace, while others call for **slaughter** of non Muslims world wide.

This **Duality** allows Muslims to appear peaceful to non Muslims, just until Muslims have the upper hand.

Then they turn to violence.

Similar to Jews,  
Muslims will operate to take a country  
by converting it from within, while  
they pretend to be peaceful citizens.

The more Islam is advancing in a  
country, the more Muslims show their  
real colors.

Using this strategy, Muslims  
converted over 50 countries so far.

**Peace** in Islam achieved when the entire world submits to the Muslim God alone. Which means every country must submit to the **Muslim Law**, known as Sharia Law

Due to the use of **Taqiyya** most of the **translations** of the **Quran** water down calls for violence against you the non-Muslim.

Jews use the same practice with the Talmud and other Jewish books, which call to kill the disobeyers and those who mock the rabbis of the Talmud.

While Muslims accept the Torah as True & Holy and claim the Quran continues it, the contradictions in the Laws between these two books are striking and absurd.

For example in the Torah Exodus chapters 21-22, the penalty for theft is to (usually) pay double the sum stolen, while in the Quran the punishment for the very same crime will be to cut off the hand of the thief.

It does not matter if the thief is a six years old who stole a candy or a forty years old who stole gold, the penalty is the same: Cut off their hand, make them crippled for life.

### Quran Sura 5 Verse 38

" As for male and female thieves, **cut off their hands for what they have done** - a deterrent from the [ Muslim God] . And The [ Muslim God ] is Almighty, all wise. "

If a Muslim cuts off a hand of a thief,  
the Hebrews must revenge and punish  
him for mutilating a person. They  
must cut off his hand in return.

Eye for an eye.

Therefore Muslims and Hebrews can  
never live in peace.

However Muslims will ignore the  
contradictions. Most of them did not  
read the Torah, and are not familiar  
with its laws.

Most Muslims do not know Arabic  
and did not read the Quran either.

Once Muslims feel strong in your land, they Will openly lean towards these type of verses and neglect the Peaceful ones.

Until '**Peace**' is achieved, there will be **Taqiyya** to advance Islam through the holy war of **Jihad**.

Jihad against non believers is not limited to the deserts of Arabia.  
It is a war waged world wide.

As long as non Muslims remain, Jihad will follow. Muslims also fight sect against sect. They kill each other in religious wars.

# The Last Muslim On Earth

**Name a country where Islam lives in peace with other religions?**

**Muslim vs Jews (Israel), fight!**  
**Muslim vs Hindu (India), fight!**  
**Muslim vs Christian (Africa), fight!**  
**Muslim vs Buddhist (Burma), fight!**  
**Muslim vs Catholic (Philippine), fight!**  
**Muslim Sunni vs Shia (Global), fight!**

Most of the Islamic Literature is not in the Quran, but in books called **Hadith** and Sunna. Together with the Quran, they create Sharia Law.

The Hadith is the Muslim version of the Talmud, "Torah by Heart". It is a collection of legends about what Muhammad supposedly commanded his followers. It was written after Muhammad's death.

The **Sunna** is a collection of gossips regarding his life: What he did and said. Both Hadith and Sunna call for the enslavement and killing of non Muslims world-wide.

Finally, in case you wondered, it is a practice in Islam to cut off clitorises of girls to depress sexual desires.

It is a part of the Sharia Law which Muslims wish to implement in your country.

However cutting off clitorises is not found in the Quran but originates in the Hadith.

Unlike the Hebrews, who cut off a piece of skin covering the penis of a child to mark his slavery to God, Muslims cut living flesh, for no other reason than to depress sexual desires.

No where in Muslim literature, did the Muslim God command to cut off clitorises For that reason, some Muslims do oppose this practice of mutilation. For more info search for **FGC Islam**.

**Taqiyya (ثقية)**  
(Legitimate lies to avoid persecution and compulsion)  
In Islam, we are allowed to lie for the sake of Islam and Allah. We will even pretend to be friends with the enemy and deny our faith if necessary
